Bar Service & Liquor Capabilities:

- **Full-Service Bar Program:** Managed by our full-time beverage coordinator, elevate your event with our premium Bar Services. Experience custom crafted signature cocktails, elevated non-alcoholic mocktails, and a curated selection of wines and beers, all designed to complement your event's theme, audience, and ambiance.
- **Parks & Rec:** We are 1 of 3 approved vendors that have the LA Rec and Park Beverage Contract allowing us to service all Los Angeles County recreation and park indoor and outdoor venues.
- **Type 83 full alcohol liquor license:** We're 1 of only 10 companies in California with this license to service anywhere you're hosting an event, whether that's a state park or a private residence.
- We have a fully stocked in-house liquor room ready to cater any event requiring beverages.

What Sets Us Apart:

Founded in 2007 in Redondo Beach, Made by Meg Catering provides the highest quality cuisine and hospitality at every event, which has propelled us into one of Los Angeles' premiere & award-winning catering companies, serving 750+ events a year and employing over 150 people. There are several different elements, service style formats, and cuisines to consider, and your catering specialist is here to guide you to make your culinary dreams come true!

We expertly deliver:

- Quick response times and accessible follow-up
- Efficient on-site setup & breakdown for both food and beverage stations
- Consistent quality control from prep to presentation to final service
- Customized food & beverage menus for each event
- Staff that specialize in dietary needs & menu writing
- Outstanding licensed & insured beverage set-up & service
- Connected staff who can source items needed and liaise with other vendors
- Seamless event flow coordination between kitchen, bar, and service teams
- Professional and polished presentation of all dishes and drinks
- Safety & compliance with food handling, alcohol service, and venue policies
- Delicious cuisine that will have your guests raving for years to come!
